Summary: The H2O gang are captured by the government! They escape only to be put into a museum. Oh no! What now? Sorry but I do have to admit this is not my best work. *Tear*

Captured!

Hey Everyone! I don't really watch H2O, so go easy on me when I make mistakes. Just tell me on your reviews. Thx!!!

Chapter 1:

Rikki, Cloe, and Emma flicked their mermaid tails and shot quick as ever through the water. Cloe stopped and motioned the other girls to follow her. She shot up near the surface and began to skim the water.

She looked over her shoulder to make sure her friends were following her and, sure enough, there were Rikki and Emma. Cloe spread out her arms in front of her and let them lead her. Rikki shot ahead. She poked her head above the surface. Cloe and Emma burst out too. "Slow pokes!" Rikki exclaimed in glory. "Oh, get ready to put your fins where your mouth is!" Emma said.

They lowered their heads under the shimmering surface like a clear table. They continued to swim like they never had any problems at all. Emma shot ahead, away and out of sight. Suddenly the other two girls heard an earsplitting, bubbly scream. Emma and Rikki shot up to the surface. At the same time, they said one word (or one name if you prefer).

"Cloe!!!!!!!!!!!!!!!!!"

PLEEZ say if you think I should continue writing this story. I'm already working on one story, and I don't know if this story will get in the way. Thx!!!!!!!!!!!!!!!!!!!!
